Councillors,
You will find attached correspondence between Mayor Watson and Tamara Lich, president of the Freedom Convoy 2022, indicating that organizers of the convoy have agreed to the Mayor's request and conditions for them to exit residential neighbourhoods in the coming days. This agreement was reached through backchannel negotiations, and should the convoy members live up to their commitments, we believe this progress would provide our most impacted residents with a much-needed break from the noise and exhaust fumes, as well as improve the sense of safety and security of our residents.
We recognize that this is not a long-term solution to the occupation, but it represents a positive first step to lessen the impact of the convoy on the well-being of our residents.
Sincerely,
Mathieu
